

How to get access to Idun

1. Ask your supervisor to approve access to the cluster resources.
2. Send an email to orakel@ntnu.no with subject "User on idun.hpc.ntnu.no", and provide the following information:
 - Your username
 - Your supervisor's name
 - Your department/faculty name
 - A (very) short description of your work or project
 - The software you intend to use
 - The contact person of your department/faculty (see table below)
3. Read the [Getting Started on Idun](#) page.
